RE: Application of Bryce & Brent Trucking, Incorporated d/b/a B&B Relocation Services for
a Class E (Household Goods) Certificate of Public Convenience and Necessity for
Operation of Motor Vehicle Carrier
Docket No: 2019-306-T

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") does not intend to file direct testimony in this docket. ORS reviewed the Application in this docket and conducted an inspection of the Applicant's records and equipment. Based on this inspection and review, ORS is of the opinion that the Applicant will meet the requirements of fit, willing and able as required of a Household Goods Mover under the provisions of S.C. Code Ann. Regs. 103-133 (2012). Additionally, ORS has reviewed the Applicant's proposed Tariff and the Bill of Lading and has no objections.

Should the Public Service Commission of South Carolina ("Commission") determine that the Applicant meets the qualifications for the issuance of a Certificate of Public Convenience and Necessity, ORS will ensure that the Applicant will have complied with all applicable Commission rules and regulations prior to the issuance of such Certificate.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'CLH', with a long horizontal flourish extending to the right.
